Write your name and address on the containers. Place your recyclables in the containers and put the containers out on the curb before 6 a.m. on your collection day.

NOT ACCEPTED!

- Recyclables in plastic bags

Replacement Containers: If your containers are lost, stolen or broken, replacement containers can be purchased from your municipal recycling coordinator. The phone number is listed in the municipal section of this brochure. We sell these containers to your municipality at the same price we pay the manufacturer.

New Homeowners: Contact your municipal recycling coordinator within three months of moving in to obtain a free container. Contact numbers can be found in the municipal section of this brochure.

CUSTOMER SERVICE REQUESTS

To determine the cause of a service interruption or missed pick-up, please note whether:

- It's your municipality's day and/or week
- Your recycling was put out by the curb no later than 6 a.m.
- Your entire street's recycling has been affected
- A container no larger than 32 gallon has been used
- Any unapproved items are mixed within your recycling
- Your recycling was placed in plastic bags, which are not permitted

If you still have a concern, comment or question regarding your recycling pick-up, please send an email to mciaurecycling@mciauth.com, making sure to leave a name, address and telephone number in the body of the message so that a representative may contact you at their earliest availability.

LEAVES, BRUSH & GRASS

FALL LEAVES will be collected approximately from mid-October through the week of December 24th.

SPRING LEAVES will be collected from March 30th - April 23rd. Leaves should be raked to the curb but not into the street.

BRUSH is collected every third Wednesday each month. Call (609) 395-0900 ext. *229 to arrange for a pick-up. Pile brush neatly at the curb beginning the weekend prior to the third Wednesday.

Do Not mix leaves with brush.

SCHOOL BOOK RECYCLING

Students throughout the County are getting hands-on recycling education with the introduction of a book recycling program, sponsored by the MCIA and the County. Outdated hardcover and softcover books that can no longer be used, sold or given away are being recycled in this program. The recycling processor pays for each ton recycled. This program is not for residential use.

Please note that the New Jersey State Recycling Act N.J.S.A. 13:1E-99.11 established mandatory recycling in the State. The Middlesex County Recycling Plan and Cranbury's Township Code Chapter 120 were adopted to meet the state's requirements for recycling. Therefore, by complying with the recycling program, you are not only helping the environment but you are obeying the law.

SPECIAL ITEMS

ELECTRONIC WASTE RECYCLING SHED (E-CYCLE):

Located at 100 Dey Road, the shed is open every first Friday of the month. Should this date be a legal holiday, the shed will open on the second Friday. Operating hours are 9 a.m. to 12 p.m. (noon). Visit www.cranburytownship.org, or Recycle Coach for more details.

ELECTRONIC/WHITE GOODS: are collected every second Wednesday each month. Call (609) 664-3129 to arrange for a pick-up. There is a fee of \$10 per item for this pick-up service.

• **Electronic Waste (E-CYCLE):** Televisions, VCRs, printers, computer equipment (including, but not limited to, CPUs, monitors, keyboards, scanners, modems, cables), laptops, telephones, irons, fluorescent lamps, fluorescent bulbs and undamaged mercury containing devices (including, but not limited to, thermostats and thermometers).

• **Expanded Polystyrene (EPS):** EPS will be collected at the Recycle Shed during hours of operation. White (compressed little white balls-think cheap cooler), clean (no tape labels, dirt, or writing), NO PACKING PEANUTS, FOOD TRAYS or EGG CARTONS, will be accepted. For ease of handling and transportation, bag the EPS.

• **White Goods:** Washers, dryers, ranges, refrigerators, air conditioners, outside grills (including gas tanks for grills), water heater tanks, freezers, stoves/ovens, dishwashers, metal storm doors (without glass window inserts), humidifiers/de-humidifiers, water coolers, metal sinks, and residential kitchen exhaust fans. The preceding list of white goods is not exhaustive; should a question arise concerning whether an item is considered a white good, residents should contact the Department of Public Works for clarification. Note: All devices that contain CFCs must be properly evacuated by licensed individuals as approved by the Township and at the Township's expense. All CFCs recovered must be sent to an EPA-approved reclaimer.

TRASH AND RECYCLING COLLECTIONS: may occur on the same day in some areas. Please be especially careful in using additional containers for your recyclables. Be certain that the additional containers are open, without tops and placed at the curb with your blue MCIA containers, so that they are not mistaken for trash. **DO NOT PLACE RECYCLABLES IN PLASTIC BAGS AT THE CURB FOR COLLECTION.**

ADJOINING RESIDENCES: Neighbors can make recycling collections more efficient by placing their recyclables in one group at the curb. This allows the truck to stop once, instead of two or three times, and saves time. However, you must remember to clearly mark your own containers with your name and address.

NOTE: RECYCLING IN ANY TYPE OF PLASTIC BAGS WILL NOT BE ACCEPTED.

FREQUENTLY ASKED QUESTIONS

WHAT IF MY COLLECTION DAY FALLS ON A HOLIDAY?

If your collection day falls on any of these holidays - New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving or Christmas - collection is rescheduled for the following Saturday. Check your municipal collection schedule in this brochure for specific dates.

Recycling collection is *not affected* by municipal public works holidays such as Martin Luther King Jr. Day, Lincoln's Birthday, Presidents' Day, Good Friday, Columbus Day, Election Day or Veterans Day. Recycling collections will take place on those days.

WHAT DO THE STICKERS ON MY RECYCLABLE ITEMS MEAN?

These are rejection stickers. The most common reasons for rejection are:

- Trash mixed in with recyclables
- Containers larger than 32 gallons
- Recyclables in plastic bags
- Cardboard not properly prepared

Only recyclables that are properly prepared will be collected.

WHAT IF MY RECYCLABLES WERE NOT COLLECTED?

Your recyclables should be placed curbside the night before your scheduled pick-up or by 6 a.m. on the day of the pick-up. Collection times are subject to change, and all material must be ready for pick-up by 6 a.m.

If your recyclables were out at the curb on time and were not collected, leave the recycling at the curb and contact us within 24 hours. If you delay contacting us, your recyclables may not be picked up until your next collection date.

Keep in mind to check our website at www.mciauth.com, under the Recycling Division's Customer Notification page, for updates, instructions or information on service interruptions.

COMMUNITY EDUCATION

As part of our commitment to protect the environment and promote good recycling practices, the MCIA Recycling Department offers free presentations to schools, civic and business organizations, senior groups and more.

M.C. Blue, the County's fully recyclable robot, is currently under construction. The robot will have new features and the programming will be updated with new content covering a broader range of information.
