CURBSIDE COLLECTION

CONTAINERS

Containers used for single-stream collection in the MCIA's program include:

- Blue containers with Middlesex County logo. Overflow can be placed in your own unlidded plastic or metal container no larger than 32 gallons in capacity or exceeding 50 lbs. in weight.

Write your name and address on the containers. Place your recyclables in the containers and put the containers out on the curb before 6 a.m. on your collection day.

Collection times are subject to change, and all materials must be ready for pick-up by 6 a.m.

NOT ACCEPTED!

- Recyclables in plastic bags
- Recyclables in containers not at the curb, such as those left near the house, garage or at the top of the driveway

Replacement Containers: If your containers are lost, stolen or broken, replacement containers can be purchased from your municipal recycling coordinator. The phone number is listed in the municipal section of this brochure. We sell these containers to your municipality at the same price we pay the manufacturer.

New Homeowners: Contact your municipal recycling coordinator within three months of moving in to obtain a free container. Contact numbers can be found in the municipal section of this brochure.

CUSTOMER SERVICE PLEDGE

E-CYCLING

By law, most consumer electronics, including personal computers (desktops and laptops), printers, fax machines monitors and televisions are not allowed in the trash. For additional drop-off locations, please contact the New Jersey Department of Environmental Protection at (866) 337-5669 or the Middlesex County Division of Solid Waste Management at (732) 745-4170.
