

# 2018 RECYCLING GUIDE AND CURBSIDE COLLECTION GUIDE

## CURBSIDE COLLECTION

### CONTAINERS

Containers used for single-stream collection in the MCIA's program include:

- A rectangular blue container with lid
- A round blue container

Write your name and address on the containers. Place your recyclables in the containers and put the containers out on the curb before 6 a.m. on your collection day.

**Collection times are subject to change, and all materials must be ready for pick-up by 6 a.m.**

### ⊙ NOT ACCEPTED!

- Recyclables in plastic bags
- Recyclables in containers not at the curb, such as those left near the house, garage or at the top of the driveway

**Replacement Containers:** If your containers are lost, stolen or broken, replacement containers can be purchased from your municipal recycling coordinator. The phone number is listed in the municipal section of this brochure. We sell these containers to your municipality at the same price we pay the manufacturer.

**New Homeowners:** Contact your municipal recycling coordinator within three months of moving in to obtain free containers. Contact numbers can be found in the municipal section of this brochure.

## CUSTOMER SERVICE PLEDGE

The Middlesex County Improvement Authority strives to provide the best quality of services to ensure our residents and patrons have a satisfactory experience. Should you have any questions, concerns or compliments, feel free to contact the Recycling Manager at [mciarecycling@mciauth.com](mailto:mciarecycling@mciauth.com).

## THE NEW REUSE-IT BOOK

The New Reuse-It Book is a guide to area locations where Middlesex County residents can freecycle or donate their unwanted goods for reuse. The MCIA has made this most recent edition available online at [www.mciauth.com](http://www.mciauth.com) for anyone who would like electronic access to the most up-to-date information.

## E-CYCLING

By law, most consumer electronics, including personal computers (desktops and laptops), monitors and televisions are not allowed in the trash. Check with your municipality's Department of Public Works to inquire if they maintain a recycling drop-off and if these items are acceptable. For additional drop-off locations, please contact the New Jersey Department of Environmental Protection at (866) 337-5669 or the Middlesex County Division of Solid Waste Management at (732) 745-4170.
